

About Skills Tutor

SkillsTutor is designed to quickly increase academic achievement for students in grades 2 through adult. Thousands of learners utilize SkillsTutor to refresh core academic skills in Reading, Writing, Math, Language Arts, Algebra, and Science. This instruction and tutoring program is ideal for extending learning opportunities and will complement a variety of K-12 classes and adult education settings.

- Over 1500 basic skills lessons and thinking skills focus on the fundamentals of learning. Quizzes and tests quickly identify skill deficiencies and appropriate lessons are prescribed. Students feel comfortable practicing skills in an engaging environment similar to standardized tests.
- SkillsTutor is delivered online and can be used as a teacher-aided instructional tool or as a one-on-one tutoring resource with minimal guidance. Individualized instruction, diagnostic testing, prescriptive assignments and automatic reporting are incorporated. The easy-to-use management system monitors progress and generates accountability reports.
- Palatine has selections to reinforce the following subject areas:
